MAKING WOUND CARE WORK RECOMMENDATIONS

Healthcare professionals and patients have joined forces to develop a set of recommendations to drive up standards in wound care:

- 01 Upskilling** generalist healthcare staff on wound care
- 02 Shared decision-making**
- 03 Maintained support** in supported shared-care
- 04 Joined up service** across community and secondary care
- 05 Improved data collection**
- 06 Improved public health messaging**
