

# 42% OF GPs CAN'T COPE WITH THEIR WORKFLOW

(General Medical Council 2022)

## DON'T BECOME A STATISTIC

Create patient documentation with

## DRAGON MEDICAL ONE

speech recognition software

- ✓ 180 words per minute
- ✓ In-built medical vocab
- ✓ GP vocab sub-category
- ✓ Integration with EPR systems incl. EMIS & SystmOne

“ Dragon is by far the most helpful intervention I have come across in over 20 years of working as a GP, a real game-changer! I would not practice as a GP without it! ”

Dr Andrew Brewster,  
The Downland Practice

“ Using Dragon made every face-to-face consultation 46% quicker ”

Dr Jonathan Harness,  
Glenpark Medical Practice
